INSTRUCTIONS FOR COMPLETION OF HEALTH RECORD

1. Please read and follow all instructions so we can process your records as quickly and accurately as possible. If you do not follow instructions or do not submit complete information, processing of your health record might be delayed, which might delay your ability to register into your courses.
2. Answer all questions. If the answer is “no, none, not applicable”, write that as your answer. Make certain you have entered your program of study above so we will know which requirements apply to you.
3. If you have reactions to latex rubber, you will need to complete the “**Latex Reaction Form**” which can be accessed from the college’s web site at www.cscs.edu/docs/health/forms/LATEX.pdf . Print the form, complete your portion, then give the form to your physician to complete his or her portion. Your completed Latex Reaction Form must be submitted with the rest of your health record forms.
4. If you have a previous positive tuberculosis test or your test now is positive, you will need to complete the “**Annual Tuberculosis Screening**” form which can be accessed at www.cscs.edu/docs/health/forms/Annual.pdf. PLEASE NOTE: A single tuberculosis test (or an “Annual Tuberculosis Screening” form if you have had a previous positive tuberculosis test) is required each year the student is in a health-related program at Columbus State.
5. If you have had a physical examination within the past year you can submit that documentation rather than have another physical at this time IF all of our needed information is on your documentation.
6. It is your responsibility, not your physician’s, to make certain that all health requirements have been completed and documentation of all items is submitted to the college. Please verify that you have the appropriate documents prior to submitting them to the college.
7. Remember to make photocopies of this health record and any immunizations or tests for your own file prior to submitting the health record to the college. Photocopies made later by the Academic Health Records Office will cost a minimum of \$5.00.
8. Allow up to five **business** days for us to process your health records. Records are processed in the order in which they are received. If your health records are submitted **less than five business days** prior to the beginning of the registration period, we cannot guarantee that we can process them before the first day of registration.
9. If you choose to fax your documents to the Academic Health Records Office at 614-287-5386, make certain your current name and social security number are on each page you fax. If your health record documents are faxed **less than five business days** prior to the beginning of the registration period, we cannot guarantee that we can process them before the first day of registration.
