Board Action

Date _____

SUBJECT:

Six (6) New Staff Positions (General Funds).

BACKGROUND INFORMATION:

With the continued growth of the College, in enrollment facilities, program expansions increased data requirements and grant activities, the following staff positions are necessary to meet the operations and enhance staff capacity.

The attached information outlines specifically the rationale for one position in Nursing; one position in Hospitality, Massage Therapy, Sport & Exercise Studies; one position in Knowledge Resources & Planning; one position in Veterans Affairs (Financial Aid); and two positions Advising Services.

RECOMMENDATION:

That the Board of Trustees approve six (6) new staff positions as listed in the attached information as permanent staff positions. The total annual cost of the 5 positions from the General Fund will be \$214,087 for salary, \$60,535 for benefits, \$2,725 for equipment, \$5,000 for other costs, totaling \$282,347.

CAREER AND TECHNICAL PROGRAMS

POSITION TITLE: Clinical Site Coordinator (*New Position*)

DEPARTMENT: Nursing

RATIONALE FOR POSITION:

This individual is needed to coordinate all of the clinical arrangements, contracts, BCI checks, immunization information and orientations for all of the clinical students (approximate 800) in the nursing, practical nursing and nursing certificate programs. This massive and growing responsibility is currently accomplished using one part-time staff person and coordinator hours for faculty members. The hourly position and the faculty-reassigned hours currently used for clinical coordination would be eliminated.

POSITION COSTS:

Salary:	\$ 40,063
Benefits:	\$ 11,217

Space Needed:	N/A
Other:	<u>\$ 1,000</u> (<i>per staff for conference</i>)

POSITION TITLE: Office Associate (*New Position*)

DEPARTMENT: Hospitality, Massage Therapy, Sport and Exercise Studies

RATIONALE FOR POSITION:

New office space is being allocated in the basement level of Delaware Hall for part of this very large Department. The department currently has one office associate located in Eibling Hall who will not be moving to this new space but will continue to support the department members remaining in the Eibling Hall building. The majority of the department members that will be moving to the new Delaware Hall location are from the 3rd floor of Union Hall in the Sport and Exercise Studies program. This office associate could also assist the current part-time teaching assistant in the Sport and Exercise Studies program with communication/ letters to practicum sites and students regarding their placements, assist with site contracts and multiple other logistical tasks that the part-time teaching assistant is having difficulty juggling with her other responsibilities. Therefore, this office associate position would temporarily off set the need for the teaching assistant job to move to a full-time position.

POSITION COSTS:

Salary	\$28,652
Benefits	\$ 8,120
Equipment	\$ 2,725 (computer, chair, lateral file)
Space	already in the space plan with modular desk and dividers
Other	<u>\$ 1,000</u>
Total	\$40,497

KNOWLEDGE RESOURCES & PLANNING

POSITION TITLE

Office Associate

DEPARTMENT

Knowledge Resources and Planning

RATIONALE FOR POSITION

Knowledge Resources and Planning is implementing a scorecard reporting tool to serve both the college and its departments in monitoring progress in meeting college measures. In support of the scorecard, the department is implementing a reporting process to track progress of initiatives designed to drive goal attainment. These functions require data tracking and reporting that the division does not currently perform.

In addition, KRP is moving a grant writing and administrative function from The Center for Workforce Development to the division's grants function. This move will ensure consolidation of the grant seeking and administration efforts.

Current positions include a part-time office associate for the grants office and a full-time project specialist whose primary functions are report development and production and web site management. The project specialist presently provides clerical support to the division. Moving the office associate's position to full time to handle clerical support for the entire division makes it possible to reassign the project specialist to full time report development/production and related duties full time.

KRP proposes that moving the office associate from a part-time to full time position is a functional and cost effective way to ensure support needed in implementing metric-driven planning and increased grant activity. The College grants portfolio currently averages \$5,000,000 in active and pending grants.

POSITION COSTS

ENROLLMENT SERVICES

POSITION TITLE: Advisor (2) *(New Positions)*

DEPARTMENT: Advising Services

RATIONALE FOR POSITION:

During the split between Advising Services and Counseling Services, two full-time advisor positions were retained by the division of Student Life. Since the split, enrollment growth has driven the advisor student ratio to 2,141:1 based on 2007-08 unduplicated student headcount. Additional accountability measures regarding student success, coupled with revised ASC curricula and continued enrollment growth have created an unmanageable equation for advising staff.

POSITION COSTS:

Salary:	\$44,034
Benefits:	\$12,479
Equipment:	N/A
Space Needed:	N/A
Other:	<u>\$ 1,000</u> <i>(per staff for conference)</i>

POSITION TITLE: Specialist (*New Position*)

DEPARTMENT: Veterans Affairs (Financial Aid)

RATIONALE FOR POSITION:

Columbus State serves one of the largest groups of veterans in Ohio at nearly 600 per quarter. The influx of returning veterans stands to increase the number significantly in the next 12-18 months based on VA projections. A recent VA audit found the timeliness of status change reporting to be out of compliance with regulations, and recommended the addition of staff (to supplement the one current staff member in VA) to focus on processing of VA benefit paperwork. This position was approved in February 2009 as a temporary full-time position and is now being proposed for permanent status.

POSITION COSTS:

Salary:	\$ 28,652

TO: Board of Trustees
FROM: Dr. Val Moeller, President
DATE: March 11, 2009
SUBJECT: Financial Statements as of February 28, 2009

Attached are the financial statements of Columbus State Community College, the Foundation, and the President’s Discretionary Fund for the period ended February 28, 2009.

1. General Fund

• **Enrollment**

<u>Quarter</u>	<u>Budgeted Headcount</u>	<u>Headcount</u>	<u>Increase/ Decrease</u>	<u>FY 08 FTEs</u>	<u>FY 09 FTEs</u>	<u>% Variance</u>
Summer 2008	13,663	14,265	4.4%	7,443	7,859	5.6%
Autumn 2008	23,057	24,483	6.2%	15,010	16,065	7.0%
Winter 2009*	24,233	24,243	0.0%	14,684	15,936	8.5%
Spring 2009						

*Preliminary headcounts and FTEs

Revenues (Exhibit B): Total operating revenues at February 28, 2009 are \$85.85 million, \$5.9 million or 7.4% more than the same period last year, due in large part to increased state support and increased enrollment.

Expenditures (Exhibit B): Total operating expenditures (before transfers) are \$74.15 million for the period, 7.1% higher than the same period last year. Increased expenditures are attributable to instructional expenses associated with enrollment growth, and with the costs of new employees and salary adjustments approved by the Board of Trustees in May 2008.

2. Auxiliary Fund (Exhibit D)

Auxiliary revenues are up compared to the same period last year by 14% due primarily to increased enrollment boosting sales for the bookstore. The Child Development Center increased revenues by 55% compared to the same period last year by maintaining enrollment at or closer to budgeted levels. Because of the attention to the enrollment and sound grant administration, expenses decreased by 11.7% while overall operating performance has improved significantly. Bridgeview is due to open for the season on March 20

3. **President's Discretionary Fund** (Exhibit F)

The President's Discretionary Fund has a cash balance of \$5,712 at February 28, after disbursements of \$14,288.

4. **Foundation** (Exhibits G and H)

Foundation contributions are \$606,296 compared to \$547,285 through February last year. The current year contributions include a donation of a plane valued at \$143,248 which will be transferred to the College for use by the aviation maintenance program and a \$20,000 donation for the First Tee program. Scholarship expenditures are up from the same time last year due to increases in the amount and number of scholarships awarded this year, preceding the significant declines in the stock market that started in late September. The decrease in Management and General expenditures is primarily the result of not funding mini-grants in order to control expenditures.

5. **Investments**

The College's portfolio is invested consistent with its investment policy, with 26% currently invested in STAROhio and other money markets, with the balance in federal agencies.
