 - L.) Transfer students may be eligible to receive credit for: NURS1871, NURS1140, NURS1141, NURS2042, and NURC1104 based on transcript and syllabus evaluation by the Nursing Program Curriculum Committee.

II. If eligibility criteria are met, students may apply for transfer admission by performing the following:

A.) Apply to Columbus State Community College online at www.csc.edu.

B.) Complete the HESI A2 entrance exam, at CSCC, with a score of 75 or better within the previous 4 years of time of application to transfer

C.) Request official transcripts from your previous school(s) be sent to Records and Registration, Columbus State Community College, 550 E. Spring St., Columbus, OH, 43215. Records and Registration will evaluate official college transcripts for possible transfer of applicable non-nursing courses.

D.) Complete the Application for Transfer into the Nursing Program, attach copies of course materials including Syllabus, course outlines, any other course information from all completed Nursing courses, and submit to Nursing Department, ATTN: Admissions Committee, CSCC, UN 508 at 550 East Spring Street, Columbus, OH 43215. Transfer applicants may apply during any semester. After all documents are received, you will be contacted by an Admission Committee Member.

E.) If transfer granted, student must complete and pass background check and drug screen prior to first nursing course. Health records and CPR requirements must be completed and current.

F.) Please be advised of the following:

From the Ohio Revised Code Chapter 4723.09 License Application:

(b) For an applicant who entered a prelicensure nursing education program on or after June 1, 2003, the results of a criminal records check conducted in accordance with section 4723.091 of the Revised Code demonstrate that the applicant is not ineligible for licensure as specified in section 4723.092 of the Revised Code (c) For all applicants, the board determines that the applicant has not committed any act that is grounds for disciplinary action under section 3123.47 or 4723.28 of the Revised Code or determines that an applicant who has committed any act that is grounds for disciplinary action under either section has made restitution or has been rehabilitated, or both.

G.) It is the applicant's responsibility to notify the Nursing Program Chairperson of felony convictions as admission may be revoked due to clinical placement denial.

H.). From the Ohio Revised Code 4723-5-12:

(13) A student shall not self-administer or otherwise take into the body any dangerous drug, as defined in section 4729.01 of the Revised Code, in any way not in accordance with a legal valid prescription issued for the student or self-administer or otherwise take into the body any drug that is a schedule I controlled substance. (14) A student shall not habitually or excessively indulge in the use of controlled substances, other habit-forming drugs or alcohol or other chemical substances to an extent that impairs ability to practice. (15) A student shall not have impairment of the ability to practice according to acceptable and prevailing standards of safe nursing care because of the use of drugs, alcohol, or other chemical substances. (16) A student shall not have impairment of the ability to practice according to acceptable and prevailing standards of safe nursing care because of a physical or mental disability.
