

This guide is designed for students intending to complete an Associate of Arts degree at Columbus State before transferring to OSU.

The CSCC course number is listed first, with the OSU equivalent in brackets. Fulfilling the credit hour requirement listed for each category will result in completing CSCC degree requirements and most OSU general education curriculum requirements.

Students with a specific intended major should consult with an academic advisor at CSCC and OSU to develop an educational plan that most efficiently meets their needs.

For the most current course equivalency information, use u.select at <http://www.transfer.org>.
