HEALTH AND SCIENCES CAREER EXPLORATION DAY

Central Ohio is a hub of gene therapy, research, biotechnologies and world-class health systems, and employee demand is at an all-time high. There's never been a better time to consider a career in the health sciences. Our Health and Sciences Career Exploration Day introduces high-school freshmen and sophomores to the full scope of health care careers and aligned education pathways. With one-on-one faculty interaction, engaging hands-on learning activities, and conversations with employer partners, like OhioHealth and OSU Wexner Medical Center, students will discover how broad health sciences careers reach and how accessible those careers are with certificates, two-year associate degrees, 2+2 associate-to-bachelor's degrees, and beyond.
