

Accessing Your LinkedIn Learning Account

Agenda

In this presentation you will learn:

How to create a LinkedIn Learning account using the Single Sign On link provided by Columbus State

Connect your LinkedIn Learning account with your personal account

Create a separate learning account from your personal account

Step 1- Single Sign On

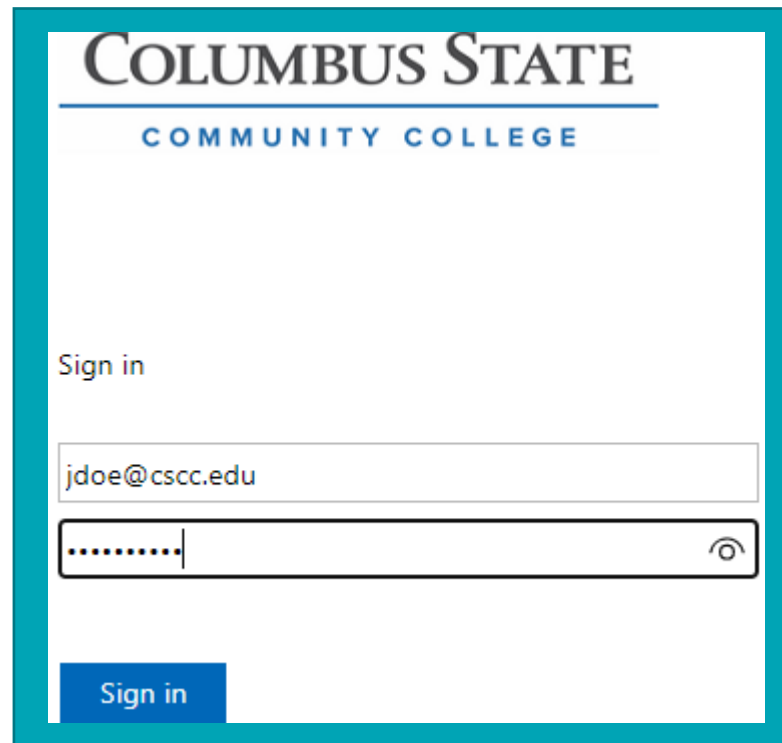

Activate using the Single Sign On (SSO) Link

Copy the SSO link provided by Columbus State and paste it into your browser

You can find the link [here](#)

Step 2- CSCC Credentials

Enter your CSCC credentials

The screenshot shows the sign-in interface for Columbus State Community College. At the top, the college's name is displayed in a serif font, with "COLUMBUS STATE" in a larger size and "COMMUNITY COLLEGE" in a smaller, all-caps font below it. A horizontal line separates the name from the rest of the page. Below the name, the text "Sign in" is centered. Underneath, there are two input fields: the first contains the email address "jdoe@csc.edu" and the second contains a masked password represented by a series of dots. To the right of the password field is an eye icon for toggling visibility. At the bottom left of the form area, there is a blue button with the text "Sign in" in white.

Step 3- Connect Accounts

Connect my LinkedIn Account will link your personal account to your new learning account. This will add a “learning” button to your LinkedIn Homepage.

Continue without LinkedIn means your learning account will be separate from your personal account. A learning button will not be added to your LinkedIn Homepage.

Step 4- Sign into LinkedIn Learning

If you choose to connect your LinkedIn Learning account, you will be prompted to enter your LinkedIn Password

LinkedIn

LinkedIn Learning is connected to your LinkedIn profile,
enter your LinkedIn password

Email or Phone
jdoe@csc.edu

Use your LinkedIn password

If you do not connect your accounts, you will skip this page.

Step 5- Pick Areas of Interest

Get started by choosing a category you are most interested in learning

Choose a category to explore

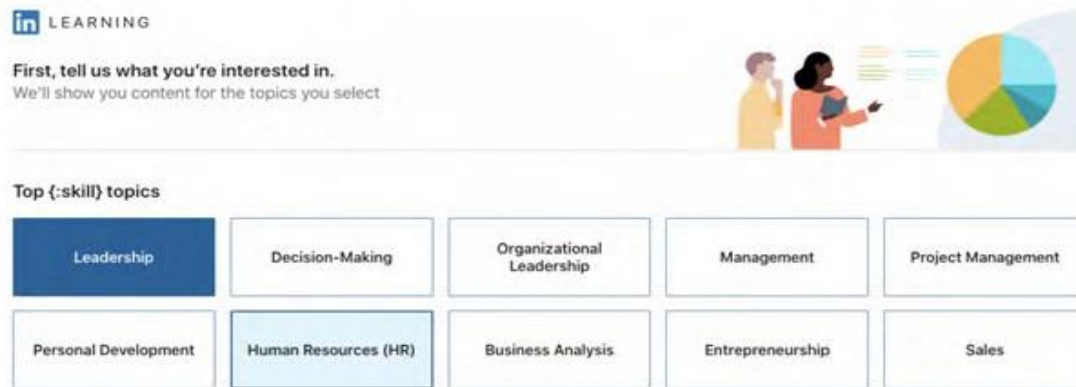

You'll still see options from all categories

Show me all

Step 6- Pick Skills of Interest

Select the skills that are of most interest to you. As you select skill categories, similar skills will populate that you may also be interested in.

The screenshot shows the LinkedIn Learning interface. At the top left is the LinkedIn Learning logo. Below it, the text reads: "First, tell us what you're interested in. We'll show you content for the topics you select." To the right of this text is an illustration of two people, a man and a woman, looking at a large pie chart. Below the text and illustration is a section titled "Top (:skill) topics" which contains a grid of ten skill category buttons. The buttons are arranged in two rows of five. The first row contains: Leadership (highlighted in dark blue), Decision-Making, Organizational Leadership, Management, and Project Management. The second row contains: Personal Development, Human Resources (HR) (highlighted in light blue), Business Analysis, Entrepreneurship, and Sales.

Top (:skill) topics

Leadership	Decision-Making	Organizational Leadership	Management	Project Management
Personal Development	Human Resources (HR)	Business Analysis	Entrepreneurship	Sales

Step 7- Ready to Learn!

Start learning!

You're all set, Jim ✕

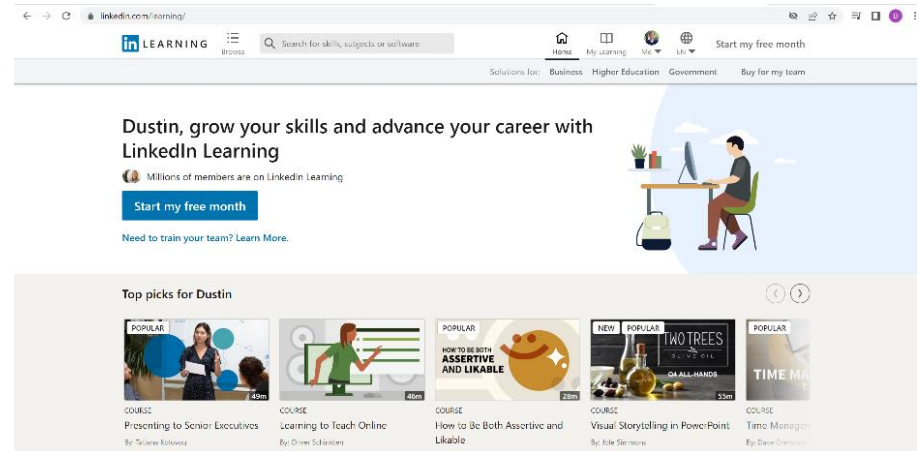

We'll show you recommendations based on your choices.
Happy learning!
